Assignment of Insurance Benefits: I authorize payment of medical benefits payable to me directly to TPI. The rates will not exceed regular charges for similar services. I understand that I may choose to continue services that are not covered by the Patient's insurance carrier at my own expense so long as TPI has notified me in advance that the insurance carrier may not cover or continue to cover all services.

Medicare-Medicaid Certification: The information given by me in applying for payment under Titles V, XVIII, and/or XIX of the Social Security Act is correct. I request that payment of benefits under Title XVII (Medicare) and XIX (Medicaid) of the Social Security Act for any services furnished by TPI be made on my behalf, I authorize any holder of medical or other information about me to release to Medicare, Medicaid and their respective agents any information needed for this or a related claim.

Personal Valuables: TPI is not responsible for the personal property or valuables of patients. I release TPI of all responsibility for personal property and for valuables.
